

Cream Cheese w Jalapeno Jelly

Ingredients:

- 1 8 oz block of cream cheese
- 1 jar of jalapeno jelly (or flavor of your choice)
- 1 box of your preference of crackers

Instructions:

1. Place a block of cream cheese on a platter.
2. Pour Jalapeno Jelly over the block of cheese. Or use your favorite jelly; almost any will work.
3. Arrange your favorite salty crackers around the block of cheese. Plain ones such as Ritz or Club crackers work well.
4. Place a cheese knife in the block of cheese. This could be part of a Charcuterie Board.
